ITINERARY SUMMARY

DAY 1 - From Spain to Portugal, via Stunning Seville

FULL ITINERARY

DAY 1 - FROM SPAIN TO PORTUGAL, VIA STUNNING SEVILLE

This morning, we check out of the Los Amigos resort and depart the Costa del Sol, heading inland across the Málaga mountains towards Seville. Along the scenic journey, we pass many examples of southern Spain's most famous products – olives and wine – with olive groves and vineyards lining the route.

Seville is the capital of southern Spain's Andalucía region and famous around the world as the home of flamenco. Today will get a snapshot of this ever vibrant city as we make our way to the Experience Portugal Event on the Algarve Coast.

Upon arrival in Seville, we will enjoy a guided sightseeing tour of the historic city centre which will reveal some of the history and secrets of this mighty town. We will enter Seville's imposing Cathedral. The largest cathedral in the world, it is the site of Christopher Columbus's tomb and a sight not to miss. The Giralda bell tower, now an iconic symbol of the city, was formerly the minaret of the mosque that formerly stood on the site, a relic from the times of Moorish rule.

After lunch in the city, we re-board our coach as we make our way west, crossing the mighty Guadalquivir River and heading for the coast and the border with Portugal. As we cross the Guadiana River, we pass into the neighbouring country of Portugal and its Algarve region, turning our watches back 1hr to Portuguese time.

From here, it is a short drive to the Vilar do Golf Resort for the Experience Portugal Member Event.

Upon arrival, we check in and meet our Tour Director for the next week of exploring the fascinating Algarve region on this great Member Event
